Title: Refractive Surgery and Presbyopia correction using infrared and ultraviolet lasers

Supplemental AMENDMENT (03/07.2001)

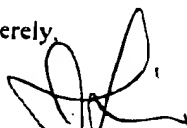

Per my discussion with the Examiner, this is to amend the followings:

Claims:

In Claim 21, line 8, replace " the lens accommodation " with -- the corneal lens accommodation--

Add new Claim 24. A method of Claim 20, in which the hydration level of said corneal surface area is controlled by a gas blower such that a consistent tissue ablation rate can be achieved.

sincerely
